

## Summer Term 2016

Dear Parents/Carers,

Welcome back to the Summer Term. Firstly, a huge thank you for all your support in producing such amazing homework projects last term - the standard and variety was really impressive.

During the Summer Term our topics will be: 'Happy Habitats and 'The Rotten Romans' - this will include a dressing up day - more details to follow. As part of our habitat topic we will be building a 'bug hotel' (see image) for the school front garden. If you have any materials that you think we could use please do bring them in. We are looking for pine cones, sticks, tiles, straw/hay, bamboo sticks, plant pots and anything else that would make a good bug home!

Please ensure that your child has their P.E. kit in school every day. Our PE lesson will be held on Thursday afternoon at Cheltenham Cricket Club. If you can help with walking please let myself or Mrs Kimber know.

Upcoming school events you should be aware of can be found on the school website and the school newsletter.

If you have any questions or concerns then please don't hesitate to come in for a short chat or to make an appointment for a meeting - the best time to reach us is at the end of the school day.

### **Homework**

Please read as often as you can with your child and sign their Home/School book

Homework will usually be given out on a Monday and will often include a spelling sheet and a maths activity on Mathematics. Homework needs to be handed on Friday of the same week.

A weekly list of spellings will be given to each pupil to learn for a test the following week.

### **Project**

The children are invited to create a project about an animal of their choice.

Please bring to school by Friday 8<sup>th</sup> July.

If you have any questions about the project then please don't hesitate to see one of us.

Yours sincerely,

Miss Sanders and Mrs Kimber
