

## **Saint John's Primary School** **Single Equality Action Plan 2018-2020**

### **Development of the Single Equality Action Plan**

It is a requirement that the development of this plan and the actions within it have been informed by the input of all stakeholders. We have achieved this by using the following to shape the plan

- Feedback from staff through meetings/INSET
- Input from Governing Body meetings
- Feedback from the parent/carer through consultation meetings
- Feedback from the school council, PSHCE lessons and issues raised in reviews of Individual Education Plans,

### **Review of progress and impact**

We make regular assessment of children's learning and use this information to track progress and attainment. As part of this process, we regularly monitor achievement and uptake by gender, ethnicity, special educational need and disability to ensure that all groups of children are making the best possible progress, and take appropriate action to address any gaps.

We have a rolling programme for reviewing our school policies and their impact. We will review progress against our Equality Action Plan and the Equality Policy on an annual basis.

### **Publishing the Action Plan**

In order to meet our statutory requirements we will

- Raise awareness of the plan through staff meetings, governing body meetings, and school newsletters
- Publish a report on our website
- Ensure hard copies are available on request
