

Sundays @ HIGHBURY Congregational Church

Highbury Church are proud to hold a "Child Friendly Award".

Children and families are always welcome for our family service at 10.30am. We begin with prayers, singing and a short talk designed specifically for children in mind. At about 11am the children are then invited to go into smaller groups of their own age range.

All groups have an adult helper to assist with activities and to help children settle. All leaders and helpers are recruited following the "Safe from Harm" child protection policy.

Under 3's are welcome in the porch during the service. There are toys and books available, whilst parents can see and listen to the service.

Sunday Specials take place on the 2nd Sunday of the month. Starting at 9am with breakfast, children age 3+ get together for a focused activity morning including games, activities and crafts. They then join their families at 10.30 for the service and then continue their activities in place of the usual Sunday groups.

Tea, coffee, squash and biscuits are always served afterwards in the dining room. Children may play in the hall under parental supervision.

Toilets are located near the hall with baby change facilities.
