

EYFS, Year 1 Phonics Screening and Key Stage 1 and 2 National Curriculum Assessment Tests 2023

EYFS

At the end of Reception, pupils are assessed against the EYFS assessment framework. Children are assessed at having a Good Level of Development (GLD) if they meet the criteria in all areas.

Year 1 Phonics Screening

At the end of Year 1, pupils are assessed in their phonic knowledge. This is not a comprehension test and does not assess understanding. Rather, it tests pupils' ability to sound out words and pseudo-words correctly using their phonological skills.

Key Stage 1

At the end of Year 2, the national expectation is that pupils reach the 'expected standard' (EXS) with no gaps in attainment or knowledge. Those who have achieved well above the expected standard will be working at 'greater depth' (GD). The table below shows a summary of our pupils' attainment compared with national averages.

SAINT JOHN'S

Key Stage 2

At the end of Year 6, the national expectation is to reach the 'expected standard' (EXS). Those who have attained well above the 'expected standard' are working at 'greater depth' (GD). There is no test for writing or science in KS2 - the results are provided by teacher assessment (TA). For Science, there is only the expectation to reach the 'expected standard' – there is no 'greater depth'.

The table below shows a summary our pupils' attainment compared with national averages.
