

EYFS, Year 1 Phonics Screening and Key Stage 1 and 2 National Curriculum Assessment Tests 2024

EYFS

At the end of Reception, pupils are assessed against the EYFS assessment framework. Children are assessed at having a Good Level of Development (GLD) if they meet the criteria in all areas.

Saint John's	52	62	69
National		67	65

Year 1 Phonics Screening

At the end of Year 1, pupils are assessed in their phonic knowledge. This is not a comprehension test and does not assess understanding. Rather, it tests pupils' ability to sound out words and pseudo-words correctly using their phonological skills.

Year 4 Multiplication Tables Check

The table below shows a summary of our pupils' attainment – there are not national figures produced for the Multiplication Tables Check. There is not a 'pass mark', but Saint John's have used 20/25 (80%) as an appropriate benchmark.

	2024		2023		2022

SAINT JOHN'S

Key Stage 2

At the end of Year 6, the national expectation is to reach the 'expected standard' (EXS). Those who have attained well above the 'expected standard' are working at 'greater depth' (GD). There is no test for writing or science in KS2 - the results are provided by teacher assessment (TA). For Science, there is only the expectation to reach the 'expected standard' – there is no 'greater depth'.

The table below shows a summary our pupils' attainment compared with national averages in 2023-24.
