

EYFS, Year 1 Phonics Screening and Key Stage 1 and 2 National Curriculum Assessment Tests 2025

EYFS

At the end of Reception, pupils are assessed against the EYFS assessment framework. Children are assessed at having a Good Level of Development (GLD) if they meet the criteria in all areas.

Key Stage 2

At the end of Year 6, the national expectation is to reach the 'expected standard' (EXS). Those who have attained well above the 'expected standard' are working at 'greater depth' (GD). There is no test for writing or science in KS2 - the results are provided by teacher assessment (TA). For Science, there is only the expectation to reach the 'expected standard' – there is no 'greater depth'.

The table below shows a summary our pupils' attainment compared with national averages in 2024-25.
