

E-Safety

Thinkuknow is the education programme from the National Crime Agency, a UK organisation which protects children both online and offline. The website offers a wealth of advice for children of different ages (4years and upwards), parents and professionals about staying safe on a phone, tablet or computer.

NSPCC

NSPCC – highlight that it can be hard to know how to talk to your child about online safety. From setting up parental controls to advice on sexting, online games and video apps, the NSPCC website has direct links that can help you to understand the risks and keep your child safe.
