

SAINT JOHN'S

# Remote Learning Plan

## Autumn 2021

|                               |                          |
|-------------------------------|--------------------------|
| Designated Member of Staff    | Head Teacher             |
| Committee with responsibility | Curriculum and Standards |
| Date of Issue                 | Autumn 2021              |
| Frequency of Review           | Annual                   |

| Issue Number | Issue Date    | Summary of Changes          |
|--------------|---------------|-----------------------------|
| 1            | December 2021 | Re-formatting of the policy |
|              |               |                             |
|              |               |                             |
|              |               |                             |
|              |               |                             |

### In the event of a whole class needing to be educated remotely:

- All work to be sent via links on ClassDojo
- Class teacher to send a daily dojo message(s) setting out the work for the day
- Daily lessons to include work on: reading, writing, maths and a foundation subject
- Twice weekly links to suggested PE activities
- Weekly work on spellings and vocabulary
- Class teacher to be available during the school day to answer queries and give feedback
- Senior Leadership Team (SLT) to make alternative arrangements if the teacher is unwell
- Via ClassDojo, parents to send evidence of work completed for the class teacher to give feedback
- Parents to contact the school office if their child is unable to complete the daily work due to illness
- Daily phonics activities (infants)

### In cases of individual children needing to be educated remotely:

Children will be allocated work by the class teacher linked to Oak National Academy or their own teacher resources. This work will be linked to their year group and sent, wherever possible, from the first day of absence via ClassDojo.

If the class teacher is not available to allocate work, then the Senior Leadership Team (SLT) will arrange for a message to be sent on ClassDojo directing the parents to the day-to-day learning on the Oak Academy website.
